The Best Business School

The Northwestern is the only business school in the Inland Empire that is accredited by State Universities and by the National Association of Accredited Commercial Schools. This assures you of getting the very best in business education.

At the Northwestern you get, in addition to Shorthand, Typewriting and Bookkeeping, special instruction in Business English, Letterwriting, Commercial Law, Business Punctuation, Office Practice, Actual Business and a thorough review in Penmanship and Spelling. You are also taught the use of modern office machines, such as the Multigraph, Mimeograph, Dictaphone, Envelope Sealers, Stamp Affixers and the like. Do you think a business education would be complete without these? Just ask a business man what he thinks about it. The Northwestern spends more money and time in teaching these additional subjects than many schools do on their entire course. That is why Northwestern students always hold the best positions. You can get more for your money in the Northwestern than in any other school.

Individual attention, all that is needed, is given Northwestern students by a staff of twelve competent teachers.

Positions were never so plentiful.

The Acme Portable Projectors

Ideal for Church Use

We handle Motion Picture Projectors for every purpose, Portable or Professional.

We also handle a complete line of stereopticons, both* for slides and opaque* projection. The new combined Balopticon with 1000-Watt Mazda Lamp projects post cards, photos, cuts from books, journals, etc., as well as slides, with perfect results.

Through out previewed film service you can obtain film programs for every purpose. We are Agents for the best two-reel Biblical pictures on the market. These pictures are now issued regularly twice a month and have been highly endorsed by Leading Ministers and Ministerial Associations that have seen them.

We handle automobile and power electric generators which makes it possible to have "Movies" where no city current is available. We can also furnish collapsible and easily movable booths where they may be desired.

Write for prices, catalogs and any desired information.

REPORT OF THE AUDITING COMMITTEE

We have carefully examined the accounts of the district superintendents, secretary of the endowment association, treasurer of the conference claimants and the conference treasurer and secretary and found them to be correct.

We checked the cash and vouchers of the pastors' report to the treasurer and made the proper notation on the envelopes.

ROBERT A. ALLEN, Chairman.

HUBERT VINCENT.

C. A. BURRIS.

REPORT OF THE WOMAN'S HOME MISSIONARY SOCIETY

We, your committee, desire to commend in highest terms the work of this great organization as it is related to the needs of our field and its splendid activities throughout America.

We urge upon our preachers to give all possible encouragement to the expansion of its work and suggest that as soon as possible auxiliaries be organized on all our charges.

C. A. HODSHIRE,
Secretary.

WOMAN'S FOREIGN MISSIONARY SOCIETY

We recognize in the Woman's Foreign Missionary Society an educational force which is bringing to our members, especially the women and children, a knowledge of the needs of the non-Christian world, and a redemption force which makes for the advancement of Christ's Kingdom for carrying to non-Christian lands the knowledge of one God the Father of all mankind, and one Saviour, our Lord Jesus Christ.

We believe that an Auxiliary of the Woman's Foreign Missionary Society in any charge will greatly strengthen its educational influence, its interest in the work, and add to the spiritual power of its members.

We most heartily commend the work of those women "who labor with us in the Gospel," and urge all pastors to assist them in organizing societies on all charges within the bounds of the Conference.

THOMAS LAWSON.

NEGRO EDUCATION SOCIETY

The Methodist Episcopal Church should rejoice that it has a place in its economy for the Freedman's Aid Society. Historically, seeking the education of the negro, effort was also made to raise him spiritually. The negro race was discovered to have latent native endowment and in many cases the individual response to the Society's work has been highly gratifying.

A new day is here for the negro. His war experience, training, and travel have broadened his horizon and increased his self confidence and esteem. In large industrial centers he is an important element. Seeking a fuller self-realization, thousands have left the Southland and migrated north, going east and west to engage in business, and becoming an additional factor in already perplexing social problems.

The Church views the negro not merely as a social or economic problem, a mere abstraction, but believes that through the negro's religious growth will come a surer solution of the present problems.

Our obligations to him can be faithfully discharged only as we give this Society our heartiest support in every way, and as we educate our people to support by prayer and consecrated efforts to lift up our brothers in black.

Therefore, be it resolved, that this Conference to that end pledge this Society our hearty and fullest support.

F. R. JACKSON, Chairman,
I. L. KETCHAM,
C. W. GEISZLER.

COMMISSION ON METHODIST BOYS' SCHOOL FOR THE PACIFIC NORTHWEST

In compliance with the action of the last session of our Conference, the matter of a Protestant Boys' School for the Pacific Northwest for boys whose educational needs are not met by the ordinary institutions, was presented at both the Puget Sound and the Oregon Conferences. Each Conference confirmed the action taken by the Columbia River Conference and raised a like Commission. The Joint Commission was

later organized by the election of M. J. Purdue, President, and J. W. McDougall, Secretary-Treasurer. The President was instructed to investigate boys' schools and to ascertain, so far as he could, the need for such a school in this territory.

The investigation has established several facts: viz., that similar schools elsewhere are filled to overflowing with those who seek admission, it being necessary to turn many away, in some cases the number turned away being greater than the number retained; that the good being done cannot be measured; that there is a real need for such a school in the Northwest, the partial investigation made indicating that there are about a thousand boys in the area who would be benefited by it; further, that people are favorable to it and are willing to give toward its establishment, volunteering means for that purpose; also, that the Board of Education is interested, having voluntarily taken notice of the proposed school at its last annual meeting, at which time, according to statement of Dr. Harris, a committee was appointed to which it could be referred. We are given assurance that the Board of Education is ready to consider as soon as we have gone far enough to have something definite to consider. Dr. Harris asks that we keep him informed of any new developments, and Dr. Hancher advises that Trustees be elected to receive and handle any money or property that may be secured, holding the same in trust until such time as we can establish the school.

Recommendations will be made to the Conference through the Conference Board of Education.

M. J. PURDUE, President,
J. W. McDOUGALL, Secretary.

BOOKS AND PERIODICALS

The Committee on Books and Periodicals beg to submit the following:

The Portland Sales Room is flourishing with an increased volume of business. We commend its patronage to all pastors, churches, Sunday Schools, and people. Proper increase of business here guarantees better facilities and greater dividends.

No business institution should receive more adequate publicity than should the Church. Our most efficient medium of publicity is our Advocate. We urge as our goal a circulation of 150,000, or one in each Methodist family in the area. October 24 has been named as Good Literature Day and the management is issuing a special number (October 6) for general distribution. We suggest general observance of this plan as a means of securing subscriptions.

A public library, of which there are 25 in our area, is patronized by many people, and we recommend that the Church located nearest a library place a copy of the Advocate on its table.

We are loath to loose from our midst our Robt. H. Hughes, who has been plucked from us by the powers that be for a higher place, but feel grateful for the bringing of Dr. Edward Laird Mills to our

midst and pledge to him our heartiest co-operation.

Respectfully,

M. R. GALLAHER,
JOHN A. HOFFMAN,
C. E. MILLER,
C. B. MARTIN,
E. S. WILLIAMSON.

CHARITIES AND REFORMS

We recommend that there be appointed by the Cabinet a Committee of five for Washington, of three for Idaho and three for Oregon, who shall constitute for those states a Committee on Charities and Reforms.

We recommend that this Committee in Washington be instructed to secure the establishment of a State Board of Movie Censorship.

We recommend that the Committee proceed to secure the passage of a measure by the legislature submitting to the people a constitutional amendment which will permit the schools of the state to give credit for work done in sectarian schools, the standards of equipment and scholarship to be set by the public schools.

We appreciate the great importance of the Board of Temperance and Morals.

We concur with the General Conference at Des Moines and "endorse the far-seeing plans of the Board in securing the most eligible site, just fronting the doors of the Capitol at Washington, for the erection of a large building commemorating the hundred years' struggle which has resulted in national prohibition, and furnish a home for the Board of Temperance and all Methodist interests that center in Washington, and be the headquarters of the Protestant and civic reform leaders who watch the currents of government and promote the reforms now throbbing for expression in the convictions of the people."

We recognize the efficient work of the Washington Children's Home Society, the Children's Home Finding and Aid Society of Idaho, and the Boys and Girls' Aid Society of Oregon. We recommend their work in finding homes instead of institutional care and pledge them our support.

We recommend that Rev. W. H. H. Forsyth represent the Columbia River Conference on the Board of Trustees of the Anti-Saloon League of Oregon.

B. C. GALLAHER.

REPORT OF THE CONFERENCE BOARD OF SUNDAY SCHOOLS

We are gratified at the splendid results obtained by the Board of Sunday Schools, through the efforts of the Conference Superintendent. We believe that the selection of M. J. Perdue for this important task was unusually fortunate. We are sure that he has a vision and a program that will vitalize and give dynamic force, to the end that religious education and building of Christian character and ideals shall be the aim of every Sunday School in Conference. We urge every minister to co-operate with him without reserve and that the

program he is emphasizing become the Conference program in order that a uniformly constructive policy may be followed.

We especially endorse: (1) The establishment of laboratory demonstration schools; (2) the enlistment and co-operation with our public schools, colleges and universities. The Church should recognize the supreme importance of the training of Christian community leadership through the work of the student classes in the schools of higher education; (3) the establishment of summer training schools and institutes; (4) we urge increased efficiency in the local schools following the program as outlined.

To the end that the Conference Sunday School Superintendent may accomplish the best results, we recommend that his work be adequately financed; especially by the supplying of office equipment and stenographic assistance. Since the Board of Sunday Schools' revenue comes from our local schools, we urge a large Rally Day collection to be used to pay for associate memberships to the Board of Sunday Schools.

Our own Methodist literature is of the highest quality. We suggest that every minister urge his workers to use it.

I move the adoption of this report and would add to that motion that Brother Perdue's report be edited and such parts published in the Conference Minutes that give a record of the proposed Sunday School program. I move the adoption of the report and include in that motion that Brother Perdue's proposed program, included in his report, be published in the Minutes.

SUNDAY SCHOOLS

(From the Conference Superintendent's report.)

Our program for the year will emphasize organization, standardization, leadership, week-day activities, special days, evangelism, and co-operation.

1. Organization. The schools are to be properly organized by departments and classes for the purpose of study, worship and pupil participation. Besides the Cradle Roll and Home Department, the following should be recognized and where possible have separate opening exercises:

- Beginners Department, ages 4 and 5.
- Primary Department, ages 6, 7, and 8.
- Junior Department, ages 9, 10, and 11.
- Intermediate Department, ages 12, 13, and 14.
- Senior Department, ages 15, 16, and 17.

Young Peoples Department, ages 18 to 24.

Adult Department, ages 25 up.

Each class beginning with the Intermediate Department should be organized. Printed helps will be furnished upon request.

2. Standardization. We should do work on a par with that being done in the public schools and colleges. We have a great curriculum provided for us. It is ours to teach it. You will be glad to know that we have an educational committee composed of Professor F. L. Pickett of Pullman, Professor Curtis Martin of Cheney, and Superintendent O. C. Pratt of the public schools of Spokane, to have oversight of this part of our work. These trained Christian educators will meet with the Conference Superintendent from time to time during the year. Let us not be satisfied in merely "keeping school," in assembling a few people or many people together on Sunday. We must make sure that we are doing our work as it ought to be done, that we are keeping our youth for Christ and training them for Christian service.

3. Leadership. General Conference authorized an educational director for the local church. Each church should endeavor to find or train such person at the earliest possible date. This we urge as a task for the year, where it has not already been accomplished. Leaders must be trained. Each school should select a few persons and put them in training. Use the selective draft. Get the best. Prepare leaders not only for the Sunday School proper, but also for all activities and for the Vacation Bible School and the Week-day Religious Instruction, for both are upon us.

4. Week-day Activities. Especially for Intermediate, Senior, and Young Peoples' Departments. We must provide for the social and service activities of our young people. We are to deal with the whole life the whole time. If they are interested in the church but one day in the week they will soon lose interest altogether.

5. Special Days. Carry out the INTENT of the day. Each day is for a real purpose. Don't lose the opportunity but make the day count.

6. Evangelism. We must do our utmost to keep those whom God has entrusted to our care, to help those who are slipping and to win back those who have been lost.

7. Co-operation. If we succeed we must unite our forces. The Board of Sunday Schools and the Conference Superintendent are but helpers. We ask the privilege of working with pastors, teachers, and officers. Pastors, you can help us to help you by giving us the names of your superintendent, your educational director, your teachers and officers, by answering communications, and by distributing literature sent you.

THE EPWORTH LEAGUE

Too much emphasis cannot be placed upon the need of a new vigor in the Epworth Leagues of the Conference. The great loss that the church is sustaining through the leakage of young life is serious if not appalling. The results that can be obtained through careful work and leadership in the Epworth League suggest an opportunity that the conference ought not to overlook.

As important steps in making the Epworth League more effective

we make the following recommendations:

First: That every pastor enlist the co-operation of his young people in building up the membership and interest of the local chapters. Well planned devotional meetings, and active, systematic social life together with a Missionary Vision and Life Service ideals will do much to improve the situation.

Second: That, in so far as possible, District Conventions be re-organized with strong programs for and by young people. We believe that the absence of these annual gatherings is a serious detriment to the expansion of the Epworth League organizations and that their resumption is highly to be desired.

Third: We urge the cordial and untiring support of the Epworth League Institutes. The programs presented at Richland and Deer Lake the past season were all that could be desired, but the combined attendance of less than two hundred was not what it should have been. With enlarged plans for next year these institutes may well become recruiting stations for leadership in the church.

RESOLUTIONS.

Believing that the care of the sick is a part of the Master's program for His Church, and that our Deaconess Hospitals in Spokane and Wenatchee are the institutional means for carrying on this great work.

And, whereas, \$300,000 are needed to furnish and pay indebtedness on the same, money to be applied as follows—\$240,000 to Spokane Deaconess Hospital, and \$60,000 to Wenatchee Deaconess Hospital,

Therefore, be it resolved, that we, the ministers of the Columbia River Conference do individually and as a Conference, heartily endorse the plan of the Bishop and the District Superintendents to raise the amount stated and pledge our faithful service toward its success.

(Signed)

ROBERT WARNER,
J. S. BELL.

INTERNATIONAL ASSOCIATION

Whereas, in the recent world conflict the manhood of our country was dedicated to the great cause of the elimination of war, and whereas we regard such a consummation as a concrete expression of our Christian idealism, therefore, be it resolved, that we most cordially sympathize with the suggestion that the Government of the United States should, as speedily as possible, find a way of joining in an international association, seeking to complete the work of our gallant soldiers, and so fulfill our pledge to the world.

(Signed) GABRIEL SYKES AND OTHERS.

Resolved, that the Secretary of the Conference be requested to convey to Brother Nathan Evans, our deep sympathy for him in his continuing serious illness, our appreciation of his faithful ministerial work in the past, and our earnest prayer that he may find his greatest comfort and support in the sense of the Divine Presence.

THOMAS LAWSON,

COMPLIMENTARY RESOLUTIONS

We are grateful for the cordial greetings we received at the hands of the Moscow people. We are grateful to Dr. H. C. Perry and his splendid group of workers and are confident that Dr. A. W. Allen and his faithful staff cannot be surpassed, in ability to provide dining hall necessities. The entertainment of the Columbia River Conference at Moscow is evidence of a fine type of hospitality.

We deeply appreciate the courtesy of the Spokane and Moscow press and the Burrows Adding Machine Company for their hearty co-operation and assistance. The women in attendance upon the Conference and also the women of Moscow wish to take this means of thanking Mrs. H. O. Perry and Mrs. Chas. MacCoughey for the delightful receptions given this week. Our Conference visitors have contributed much to the enrichment of our minds and hearts and we earnestly thank them for their inspiring messages. The ministers of the Conference appreciate the privilege of meeting with the laymen and participating in their forward looking program.

Through the press and various other agencies during the past years we have heard much of Bishop Shepard; but in this Conference we have discovered him. He has brought to his numerous tasks here a dignity which is uplifting; a spirit which is pervasive and a quality of character which ennobles. His addresses and sermons have inspired in us a deeper devotion to the things of the Kingdom. May our Heavenly Father abundantly bless and lead Bishop Shepard.

(Signed) JOHN ROBERTSON.

REPORT OF THE CONFERENCE DEACONESS BOARD

By action of the General Conference this Board is composed of the District Superintendents, the deaconesses within the Conference, four members at large nominated by the District Superintendents and elected by the Conference.

The following have been designated as the members at large: A. A. Callender, M. J. Perdue, R. D. Snyder, H. J. Wood.

For the Maria Beard Deaconess Hospital: J. M. Walters, H. C. Kohr.

For the Central Washington Deaconess Hospital Association: C. C. Curry, Fred Kemp.

The Conference Board has been organized by the election of: M. J. Perdue, President; A. A. Callender and Mrs. Jeanette Sigerson, Vice Presidents; Elizabeth N. Jons, Secretary; Minnie M. Brown, Treasurer.

The following deaconesses have been relicensed: Ethel H. Butts, Minnie M. Brown, Ethel L. Guilkey, Elizabeth N. Jones, Sadie Smith, Elizabeth Yates, Mrs. Theressa Brown of Spokane, Mary Stevenson, Cle Elum, Mrs. Jeanette Sigerson, Helen Schacht, Winifred Smith, of Wenatchee.

At her request, Miss Alice Denno was granted an honorable discharge.

We recommend the licensing and consecration of Miss Ruth Fogle, and that she be transferred to the Puget Sound Conference.

We recommend as trustees for the Maria Beard Deaconess Home Association for the period of three years: H. C. Kohr, N. M. Jones, J. M. Caughlin.

For the Central Washington Deaconess Hospital Association, J. O. Hawk, for a period of three years.

We regret exceedingly that Miss Butts has felt called upon to resign from the superintendency of our hospital. We cannot speak too highly of the efficient and consecrated service of this noble woman during her years of service in the Hospital, raising our hospital from a small, struggling institution to its present enviable position in the Northwest. If she must leave us our prayer will follow her in her effort to bring healing and comfort to the people in far away lands, to whom she gives her life in service.

The Board wishes to commend the faithfulness of the deaconesses working within the bounds of our Conference.

We appreciate the work done by our Financial Secretary, Rev. J. S. Bell and the success attained by him, and we recommend his re-appointment.

REPORT OF COMMITTEE ON EDUCATION.

Your committee on education wishes to report as follows:

We are glad to express our appreciation of the work of the Board of Education, both as it relates itself to our institutions and to the students in them. We rejoice in the fact that our own educational institutions are becoming more popular and efficient. We appreciate the co-operation of the state colleges and normal schools with our Conference Superintendent of Sunday Schools in seeking to raise the educational standards in our local church schools. We are very much gratified with the work of the local churches in the college and normal school centers in their attempt to promote the work of religious education among the college and normal school students. We rejoice in the growth of the vacation schools and in the extension of weekday religious instruction and commend these lines of activity to all our churches. We commend the work of M. J. Perdue for his efforts to encourage this work. We recommend that those in charge of the program the next session of the annual conference secure the strongest man available for a series of addresses on the subject of Religious Education.

We call attention to the following statements and recommendations concerning our own institutions:

Kimball School of Theology.

We are glad to learn that Kimball School of Theology has this past year had the best enrollment in its history. Her Board of Trustees has decided upon a forward movement and has begun a campaign for the raising of an endowment of \$200,000. We commend their action as we believe our only Methodist Theological seminary in the Northwest should have an adequate financial foundation.

Willamette University.

Willamette University, the oldest institution for higher learning west of the Mississippi River, is entering upon an era of unprecedented prosperity.

The new dormitory for young women is almost completed and can be fully occupied very soon after the opening of the college year. The building is modern in every respect, being arranged and equipped with everything that can contribute to comfort and happiness. It will accommodate 125 girls without crowding.

Waller Hall which was ruined by fire at Christmas time, has been transformed into one of the most beautiful and convenient college buildings that can be found anywhere. It contains class rooms, a chapel

that seats six hundred persons, the library and reading room, with a capacity for 200 readers.

The total cost of the building program will be at least \$150,000. President Doney and staff of helpers are busily engaged with the labor of gathering up this amount. The Rockefeller Foundation pledges \$350,000 toward a million dollar endowment and an annual sum of \$17,500 for two years to apply on salaries, provided the college will secure a like sum.

Your committee recommends that this conference congratulate the Trustees of the college on the material prosperity of the school and on the adoption of the large program of raising building fund as well as a million dollar endowment, and pledges its moral and financial support to the trustees and the president, Carl G. Doney, until the task is accomplished.

We desire to make the following nominations:

For trustees of the College of Puget Sound—Rev. U. F. Hawk, R. H. Briggs, Kennewick, Wash.

For conference visitors of College of Puget Sound—Rev. A. A. Callender and Rev. F. N. Morton.

For trustees of Willamette University—Rev. J. W. McDougall, Wm. Shearer, Toppenish, Wash.

For conference visitors of Willamette University—Rev. N. M. Jones and Rev. Henry Green.

For trustees of Kimball School of Theology—Rev. U. F. Hawk, A. B. Lee, Spokane, Wash.

For conference visitor of Kimball School of Theology—Rev. Chas. MacCaughey.

Boys School of the Pacific Northwest.

We are pleased to report progress on the Methodist Boys School of the Northwest, and recommend that the commission be continued and authorized to elect a board of trustees, who shall receive, acquire, and administer whatever contributions may be made to the movement.

Inasmuch as certain campaigns are already planned for this coming conference year within this area we deem it best to postpone and intensive efforts in this cause until a more opportune time.

We recommend the re-election of Judge W. A. Huneke as a member of the commission for a term of three years. Also that the president of the Joint Commission, M. J. Perdue, be authorized to request similar action at the other conferences of the area.

COLLEGE OF PUGET SOUND

The College of Puget Sound placed before this Conference one year ago, a program calling for the raising of an additional \$1,000,000 for building and endowment; and the purchase of a larger campus. It is with devout thanksgiving to God that we received the report that over one-half of the sum has been subscribed, and that a campus of approximately forty acres is in process of purchase.

It should be remembered that this College is the only Methodist educational institution of college grade in Washington. It is strategically located and is easy of access. Its academic standing has steadily improved, and its faculty has been strengthened. A goodly percentage of the student body are preparing for a life service as God may call.

Some statements of the Chairman of the Board of Trustees of the College should be reported to you and recorded:

"President Edward H. Todd has served the longest term in the history of the College. . . . He has seen us through two campaigns when every cry was, 'It can't be done.' . . . The assets outside of buildings and grounds (seven years ago) were only nominal . . . today they amount to about \$800,000."

He credits the action of this Conference nine years ago in assigning the Educational Collection from charges north of the southern boundary of Washington to the College of Puget Sound as having been "an ever increasing factor in the success of the school."

Last year this Conference congratulated the College upon its program and pledged "its moral and financial support to the Trustees and President Edward H. Todd, until the task is accomplished."

Owing to the fact that the hospitals of the Conference are to put on a campaign, and must of necessity take precedence, your Committee on Education recommends for adoption that this Conference authorize the appointment of a committee of five, by the Bishop, to co-operate with and counsel the officers of the College relative to plans and developments in interesting various persons in the program of the College, who reside in this Conference north of the southern boundary of Washington.

MEMOIRS

Mary Esther Hoadley

Mary Esther Hoadley, nee Mary E. Whitney, born September 2nd, 1841, at Berea, Ohio, died at 1579 Fiske street, Portland, Oregon, November 22nd, 1919. She was descended from Eli Whitney, a relative of Secretary Whitney of the navy department in Cleveland cabinet, and of the two distinguished Professors Whitney, after one of whom a mountain in California has been named. Graduating from college in which she excelled in scholarship, she was married April 29th, 1869, to the Rev. B. J. Hoadley, with whom she journeyed from one field of labor to another throughout three different states. Her interest in the Woman's Foreign Missionary Society was unailing and she lifted many a local society in Ohio to be a fruitful branch. She was sunshine in disposition and her hearty laugh was enjoyable to hear. She easily made friends and never lost them, so sacred was friendship to her. Converted when a child, she was ever interested in childhood conversion. Her home at Portland and her cottage by the ocean wave were very dear to her. Loving the beautiful, the rarest blooms were ever under her eye and care. Better than her more than ordinary mental parts, was her Christian life, as quiet as sunshine, and as diffusive as light. She has clasped two children in heaven, and a son, Geroge W. Hoadley, his wife, Edna, and daughter Ruth, and her husband yearn after her in all the days to come. The funeral was held at University Park, and conducted by the Rev. H. T. Atkinson, and former pastors.

Rev. H. B. Emmel

Bro. Harry B. Emmel passed to his eternal reward while in Army Y. M. C. A. work in Siberia on February 27th, 1920, at the Military Hospital at Vladivostok. Sudden as thunder came the news by wireless message on the day he was supposed to leave for his home in Hood River, Oregon.

Last July when men were needed for sentry duty, although this was not included in his tasks as a Y. M. C. A. worker, he volunteered.

The inclemency of the weather and the arduousness of the duty brought on attack of dysentery which necessitated his removal to the Base Hospital at Vladivostok.

In spite of his weakened condition in October, he could not resist a trip into the interior to his former station in order to secure for his men long-delayed and much needed supplies.

With his passion for service undiminished, his physical forces never seemed to rally as before, and on March the 3rd the message was received that on February 27th he had succumbed to typhus fever in the Military Hospital at Vladivostok.

Bro. Emmel was born in Dayton, Oregon, April 19th, 1880. In holy matrimony he was united to Luella Leshner on April the 5th, 1906. To

this happy union were born four children: John Clifford, Anne Vithone, Harry Elwyn, and Ruth Eleanore.

Bro. Emmet took his first church in the Methodist Episcopal Church at Lake Coeur, Idaho, at which place he served three years. He then entered the Columbia River Conference, serving at Blaine, near Peck, Idaho, and was in the middle of the second year at Blaine, when the call came for volunteers at the Y. M. C. A. work at Portland.

He accepted, but on account of conditions at that time was employed in the filing department of the Y. M. C. A. at New York.

At the close of the war in Europe he was transferred to Russian Siberia, where he served until his death.

His aged mother, wife and four children, and three sisters are left to mourn his death.

Bro. Emmet's father preceded him to the better world only two months before.

To enter the home of our brother was a bereavement. He was a devoted husband and a kind father.

His sterling qualities, his honest ways, his dignified personality will long be an inspiration to the thousands of friends, and the warmth of his geniality will continue to glow in our hearts.

Our earnest sympathies and prayers are for the bereaved and widow and all who loved him, whom he served in his life, who found a good friend who kept the faith and gave to them the peace and joy of righteousness the Lord hath laid up for him."

—E. C. NEWHAM.

The body was respectfully interred in Vancouver. At the funeral services many glowing tributes were paid to the late officer and his many comrades who had labored to save him with ardent devotion.

At Hood River, Ore., a beautiful memorial service was conducted on Friday, March 10th, in Astoria Church by Rev. E. C. Newham and D. M. Helmick.

Rev. Henry A. Sheldon

Henry A. Sheldon was the son of Amos and Anna Sheldon, and was born in New Oxford, Conn., March 1, 1864.

After spending several of his early years at home he returned and taught school in his home, and in the fall of December, 1882, entered in marriage with Miss Frances Shattuck at Cheshire, Conn. After attending Albion College he joined the Detroit Conference, where he served several churches.

His health becoming impaired while at Albion, he transferred to the West in hope of improved health, and joined the Columbia River Conference, where he served as pastor at Garfield, Buxton, and Spokane, Wash. But his health became progressively worse, and eventually having collapsed he returned to Wash. in 1911, and passed in Ann Arbor.

As soon as he recovered sufficient vigor, being naturally very industrious, but reasoning that some occupation less nerve-racking than the ministry would be expedient, he ventured in business, in which he was contented and successful financially.

Rev. Henry A. Sheldon had a strong mind as well as a stalwart body; but delicate health prevented his attainment to those professional heights for which he was by nature gifted.

He was very devout, public-spirited and liberal, and zealous in soul-winning.

Although his regular work was a large man's job, yet being invited last fall by members of the Broadway Church to become their pastor, he was appointed by the Conference.

Bro. Sheldon had a fraternal spirit, and when the Twilight Club (an organization of the retired ministers, their wives, and widows) was organized, he was elected vice-president.

Near the close of March he became prostrate through acute dilatation of the heart, and succumbed on the 7th of April.

He was a true-hearted prophet in Israel. Many of us may well pray for a double portion of his spirit.

One child, a daughter, Olive, highly esteemed by all her acquaintances survives the father. The funeral was held at the home.

Besides the writer, the following ministers were present: Woodhams, Winton, Stalker, Rowe and Weufrel. The remains were interred at the cemetery at Clarkston, beside the body of his wife whose spirit migrated to the better land about two years ago.

Helen Anna Burrill

She is gone but shall not be forgotten. After a few busy months of setting her house in order she was, like many of her friends, taken with the "Flu" and died January 9, 1920, at the age of seventy-one.

She was educated in Rock River Seminary at Mt. Morris, Ill., graduating in a class with Rev. Henry Brown and Rev. Sanford L. Burrill whom she married in 1896.

Both she and her parents were ardent Methodists, their home always open to the Methodist Itinerants, and greatly loved by all her old friends, who mourn her loss or rejoice with her in glory. She was very active in Missionary work and the Temperance movement.

In 1896 she came to the great West to join her husband, who was one of the pioneer members of the Columbia River Conference, here to do the Master's work of love and to grace the Methodist parsonage, which she did to the great benefit of every charge on which she lived. She was constantly in the field with her husband, oftentimes taking the pulpit herself.

Mrs. Burrill was very intimately interested in the Woman's Foreign Missionary Society, and like her old friend, Mrs. Lucy Brown, and

who was for so long a time Conference Secretary. She was Conference Treasurer for several years till her health became poor, then on account of failing health her husband retired from active work in 1901, her interest still unabated. As local Treasurer she was largely instrumental in building up a strong society in First Church, Yakima.

Mrs. Burrill gave largely of her means, denying herself of clothing and personal comforts of life in order that there might be money for Missions. Her great interest in Missions was shown when she took out a life annuity of \$500 with the Woman's Foreign Missionary Society, and yet again increased that sum to \$1,500, specifying that it was to be used in founding a home in India in honor of her mother and naming it the Anna Angle Home. She again added to this gift through her will all of which provided that her entire estate should go to the home and to the Spokane Deaconess Hospital. She loved to give and was blessed in her giving. Not forgetting education, she gave a cash contribution of \$4,000 to the College of Puget Sound.

Every one who met her loved her, refined in spirit, full of determination that the Master's cause should go forward, she bent every energy to build up Christ's Kingdom, and God has now called her to be with her Christ in Glory. God will bless her work and it shall go on. Amen.

—ROBERT I. BURRILL.

Mrs. George Waters

Mrs. George Waters, wife of our only Indian preacher, living at Toppenish, Washington, passed away during the past year.

Sister Waters was a true helpmeet to her husband and an ideal Christian mother. Through the long years of her husband's ministry she has been ever sympathetic and energetic.

For a minister to go into her home was to be reminded that he was expected to read the bible and pray. She was a real Methodist of the old type. She loved her home, and did her part in serving the Yakima Indians.

During her last illness she was a patient sufferer, reflecting the finest Christian spirit.

The Columbia River Conference wishes to extend to Brother George Waters its most heartfelt sympathy. The conference also is praying for the recovery of Brother Waters, who is now ill.

Helen Koontz Martin

On April 19, 1920, occurred one of the deaths that touch deeply the heart strings of a widely varied and scattered group of humanity, the memory of which clings closely to many, for there was called home at that time one whose sweet and gracious personality had impressed itself upon an unusually large number of lives during its short stay on this earth.

Helen Koontz Martin, the only daughter of Rev. and Mrs. B. E. Koontz, was born January 28, 1892, at Sprague, Washington. She at

tended school at the different points of her father's ministry, including Hillyard, Ritzville, and Moscow, graduating from Moscow high school in 1910. She also attended the University of Idaho at Moscow.

On April 30, 1911, she was united in marriage to Wm. M. Martin of Moscow. There have been born to this union two children, Eleanor, now aged 7, and William E., aged 5. Two years after their marriage Brother Martin entered the ministry, and he and his consecrated little wife have faithfully served the charges at Moscow circuit, Medical Lake, Dishman, and Endicott, in all of which places they have done worthy and lasting work, and made a host offriends.

Mrs. Martin had been in frail health for a number of years, and at last decided to undergo an operation in the hope of being restored to her family in health. The most skilled service possible was obtained and the operation was performed in the Deaconess hospital April 15, and conditions seemed for a time very favorable for her recovery. Indeed her friends felt that cause for immediate anxiety was over, when almost without warning the brave heart failed and Heaven was enriched by the presence of the gracious spirit of beloved woman.

The funeral services were held in St. Paul's church, Spokane, and were beautifully and impressively conducted by Rev. W. E. Armfield, assisted by Rev. Henry Brown and the writer of this obituary, all old friends of Brother and Sister Koontz and Brother Martin. The masses of beautiful floral offerings gave silent tribute to the glorious flower transplanted to God's own garden.

Helen Koontz Martin is gone, but the influence of her young life still lives, not only in the hearts of her sorrowing husband, children, father, mother, and brother, but in the lives of those with whom she had lived and labored all her life as the daughter of a Methodist minister and the wife of a Methodist minister.

MRS. CHAS. ANDREWS.

Agnes Tregoning Marvin.

Was born in England, April 26, 1861, came to the Santa Clara Valley, California, when she was a young girl, and was married to M. H. Marvin September 13, 1888, in Oakland, Cal. She came with her husband to the Columbia River Conference, he uniting with the Conference on probation at Moscow, Idaho, Sept. 23, 1888. The whole of the active ministerial life of Brother and Sister Marvin was spent in the Columbia River Conference, and six years ago they moved to the Puget Sound on account of failing health.

Mrs. Marvin died in Seattle, Oct. 17, 1919, after an illness of eight weeks, from heart trouble, from which she had suffered for years, despite which she was an active and efficient worker in the Kingdom. She was buried in Seattle, Rev. Nathan Evans, and Rev. R. J. Reid, old friends of the family, assisting Dr. J. E. Crowther in the funeral services.

Deceased was converted and united with the church when she was a girl, and was known by all because of her manifold church activities, especially in connection with the Woman's Foreign Missionary Society.

Rules of Order

I. The Conference shall open its sessions at 8:30 a. m. and adjourn at 12 m. The first thirty minutes shall be devotional services under charge of the Presiding Bishop.

II. The bar of the Conference shall be fixed by vote; but preachers' wives and visiting clergymen are invited to sit within the bar.

III. All motions shall be reduced to writing, if the President or any member requests it and no report from Committees shall be received until duplicate copies are placed in the hands of the Secretary.

IV. It shall be the duty of every member to give his vote on all questions unless for special reasons, the Conference excuses him; but no member who is not within the bar shall be allowed to vote except by leave of the Conference.

V. The vote on any question before the Conference shall be taken by roll call, if such is asked by thirteen members.

VI. No person shall speak more than twice on the same question; nor more than ten minutes at any time, without permission of the Conference; nor shall anyone speak more than once till every one desiring to speak shall have done so.

VII. The Auditing Committee shall report upon the distribution of funds received for ministerial support, noting each instance, where the pro rata shares have not been paid to the Pastor, District Superintendent, Bishop and Conference Claimants. Failure to comply with the requirements shall be sufficient cause for careful inquiry by the Committee on Conference Relation.

VIII. No person shall be admitted on trial in the Conference or by credentials from other churches who is past thirty-five years of age and who cannot furnish to the Board of Examiners satisfactory evidence of having completed a course of study equivalent to that of the high schools of the State of Washington.

IX. No candidate shall be examined after the commencement of Conference without the consent of the Board of Examiners.

X. The Secretary, Statistical Secretary and Treasurer shall nominate their assistants; and the officers and managers of the different Conference societies are authorized to appoint persons to fill any vacancies which may occur during the year.

XI. When any one of our members is called from earth, it shall be the duty of the nearest Pastor, or Superintendent of the District, to notify all the preachers in the district of such death, and of the time set for the funeral services.

XII. The Superintendent of the district, and the preacher in charge of the station where the Conference is to be held, together with the Presidents of the several Conference Societies, are instructed to arrange the program of religious exercises, and if practicable, secure their publication in the PACIFIC CHRISTIAN ADVOCATE.

XIII. There shall be an executive session of the Conference on the afternoon of the second day unless the time shall be otherwise designated by vote of the Conference.

XIV. It shall require two-thirds of those present and voting to change or suspend any of these rules.

XV. Memorial Service shall be held on the first day of the Conference session each year, immediately following the administration of the sacrament of the Lord's Supper. At each session of the Conference a standing committee on memoirs shall be appointed by the Bishop, to be in charge of the Memorial Service at the succeeding Conference session. The chairman of this committee shall be responsible for the preparation of a brief memoir of each member of the Conference, or wife of a member of Conference, deceased during the year, which memoir shall be read at the Memorial Service. At each session the Bishop shall appoint a member of the Con-

ference to prepare a suitable Memorial Address of not more than fifteen minutes in length, to be delivered at the Memorial Service of the following session.

XVI. All members of the Conference in the effective relation, and all ministers who are changing their relation to effective, and taking appointments, all superannuates, all preachers on trial, all candidates for admission on trial, and all supplies, who attend the session of the Columbia River Annual Conference must file with the Secretary on or before noon of the second day of the session a statement showing the name of the person, the name of the charge from which he came, the fare paid each railroad, stage or other conveyance within the bounds of the Conference in coming to the seat of the Annual Conference, on a blank provided for that purpose.

The aggregate amount of these fares shall be divided by the number of persons in attendance and the quotient of such division shall be deemed the average fare. All persons who have not paid an actual fare equal to or more than the average fare shall pay the Secretary an amount equal to twice the difference between the fare he actually paid and the average fare. When all such payments shall have been made, the Secretary shall pay to those who have paid more than the average fare an amount equal them, the difference between the average fare and the fare actually paid by them, provided, that no superannuate within the bounds of the Conference shall be expected to contribute to the equalization, but may reap any benefit accruing to him therefrom.

XVII. The Conference shall consider in executive session all personal matters regarding the character of its members, or the character of any who are proposed for membership.

XVIII. Roberts' Rules of Order shall be the standard of parliamentary usage.

XIX. The Conference Deaconess Board shall nominate the Trustees for the Maria Beard Deaconess Hospital Association of the Methodist Episcopal Church, and also three Trustees for the Central Washington Deaconess Hospital, in the manner prescribed by the Articles of Incorporation of the said Association.

THE RELIGIOUS MOTIVE IN AMERICAN EDUCATION

- Ⓒ The great need to-day in American education is cooperation and vision.
- Ⓒ The Church School Teacher should have an intelligent appreciation of the aims and technique of public school education.
- Ⓒ The Public School Teacher should learn to take into account the religious motives of the pupils.
- Ⓒ Both Teachers should have a vision of the common task and cooperate closely.
- Ⓒ There is a call for religious educators to establish Community Schools of Religious Education and Week-day Schools of Religion.
- Ⓒ Textbooks are in preparation.
